

The RE Curriculum

The religious programme, 'Come and See' is the core RE scheme at St George's. Links are made with the children's own experiences and the curriculum is adapted to make it real and meaningful to our children. We teach Religious Education through the process of Explore, Reveal, Respond. This follows the pattern of the human search for meaning, God's initiative in Revelation and the response in faith.

It is important to us that our children see themselves as part of a wider community. To ensure we have real and lasting experiences we include a variety of visits and trips so that children can learn about the many similarities between major world religions. Therefore other religions are taught from EYFS to Year 6. These are Judaism, Islam, Hinduism, Sikhism and the philosophy of Buddhism.
