

St. George's Roman Catholic Primary School

School Closure - Year 3 Work Pack

Dear Parent,

In your child's work pack there is enough work currently set for the next 2 school weeks (10 school working days).

There are suggested paper-based and optional online tasks outlined in this note. These tasks may differ according to your child's needs. Your child has all the log in details to access the suggested online websites, these have been checked and used at school and should be found in their Home Contact Book. If you have any issues with the tasks or the online resources please contact the school on the usual email address.

In addition a ruler, pencil and rubber are provided.

The guidance we give is that they spend an approximate amount of time each day (see below) to complete the suggested tasks. We have tried as far as possible to provide answer sheets to self-mark but other tasks may need a parent or carer to review and check.

Specific details of the tasks set for the next 2 weeks are found on the reverse of this sheet. In general the following is a guide

Optional Online Resources

The following websites can be accessed by typing the website name into Google or other search engine and clicking the relevant link. The pupils have been provided with all the login details this week and they have accessed these websites in school time previously.

Times Tables Rock Stars – Pupils can practise in 'Garage Mode' to ensure they are progressing at the right level.

Numbots- Maths activities and challenges

Purple Mash - There are '2do' tasks which cover topics in Maths, English, Science, History and Computing.

Epic Reading - There are assigned books to read and your child can of course read any additional books that interest them. *Please note this can only be accessed for free during normal school hours.*

The British Council Website (www.learnenglishkids.britishcouncil.org) - aimed for our English as a foreign language children (EAL).

Suggested Daily/Weekly Learning Tasks for the next 2 weeks (23 March – 3 April)

We recommend your child does a Maths session and English session every day (45-60mins per task/session). In addition your child could also try the optional online tasks.
