## SATS WEEK 2019

Year Six SATS start on Monday 13<sup>th</sup> May.

Breakfast will be served in the year 6 classroom from 8:30am Monday 13<sup>th</sup> – Thursday 16<sup>th</sup> May.

GOOD LUCK to all of our Year Six children. You have all worked really hard over the past 7 years at school and we are all very proud of you already.

Now it's your chance to show off and let other people see what we know you can do!

## CAKE SALES!

Friday 10<sup>th</sup> May ~ Year 1 AND 2

Friday 17<sup>th</sup> May ~ Year 3 AND 4

Friday 24<sup>th</sup> May ~ Year 5 AND 6

Friday 7<sup>th</sup> June ~ Early Years

Friday 14<sup>th</sup> June ~ 1 AND 2

Friday 21<sup>st</sup> June ~ 3 AND 4

Friday 28<sup>th</sup> June ~ 5 AND 6

Friday 5<sup>th</sup> July ~ Early Years

Friday 12<sup>th</sup> July ~ School Fund ~ all classes

Please send in homemade cakes ~ or even shop bought cakes ~ for our cake sales.

Cakes will be sold for 30p each.

All proceeds from the cake sales go straight to the class to help pay for summer trips at the end of the year or additional fun activities for your children. Sales have been combined this term for all classes to buy shared resources for the children in each of the 4 phases.

### Environmental News

The banning of single use plastics is going very well. There is now a huge reduction in the number of children bringing in single use plastic bottles ~ the great majority of children are arriving at school with their own cups which they can freely use throughout the day. We have a brilliant water fountain in school and the children say that the water tastes "lovely and fresh!" Children who stay for packed lunch should pack a cup as water is available freely at lunchtimes for ALL of the children.

Please remember that children are NOT allowed to bring any kind of juice or fizzy drinks to school! We actively encourage the children at St George's to drink only water or milk.

Fresh fruit is available at break times for children or children can bring in their own healthy snack. Please remember that sweets and crisps are not allowed at breaktimes. Please do not send these in. Thank you.

### TIMES TABLES ROCKSTARS

Every child in school now has a log in for Times Tables Rockstars. Your child knows how to use this programme and we would love them to use this new programme as much as possible AT HOME. It is vitally important that your child knows ALL of their times tables by the middle of Year 4.

The children who know all of their tables off by heart make excellent progress in maths. Times tables are needed for multiplication, division and fractions. Your child needs to learn the inverse too:

*For example:*

$$8 \times 9 = 72 \quad \text{and} \quad 72 \div 9 = 8 \quad \text{and} \quad 72 \div 8 = 9$$

$$7 \times 8 = 56 \quad \text{and} \quad 56 \div 8 = 7 \quad \text{and} \quad 56 \div 7 = 8$$

We will be running more maths workshops for parents in the Autumn term to show you how we teach division, multiplication, addition and subtraction and we will show you lots of ways to help your children at home!

Please remember to sign up to the SCHOOL LOTTERY!! There is a prize EVERY week for a member of the school community and an additional chance to win £25,000 and lots of spot prizes (such as days out, cinema tickets etc) EACH week too!! Tickets cost £1 each week ~ payable by direct debit. Your winnings are paid straight to your bank account. ALL of the profits go straight to school to help buy resources for the children. Just go to:
