Dear Parents and Carers,

We are emailing to check in with everyone as we move into week 2 of self-isolation. We really hope that everyone is well and that you are all managing in these very difficult and challenging times.

Thank you to everyone who has sent in messages of support and thanks for the school staff here as we continue to support the children of the key workers.

A huge thank you from all of us too for all of the other key workers.

We are aware that some of you may now be entitled to free school meals if your personal circumstances have changed. If so, please email us by 9:30 each morning on:

[stgeorges.primary@york.gov.uk](mailto:stgeorges.primary@york.gov.uk)

and let us know if you would like a packed lunch for your child. The lunches can then be collected from school from 12:00. We are still waiting to hear about the government vouchers and will let you know as soon as we have more news about these.

School will remain open during the Easter Holidays for the children of key workers but packed lunches will not be available over this period. Children who have already arranged to attend school over the Easter Holidays will need to bring in a packed lunch.

We will be moving to Google Classroom for all of our lessons and teaching after Easter. Every child already has a log in but we will resend these so don't worry. Work will be set each day, will be marked and feedback will be given on a daily basis. Google Classroom is very interactive so your child will be able to message the teachers during the day. Some teachers will even be videoing lessons that the children can watch before they start their work!

Keep safe everyone,  
Kindest regards,

Mrs Statham and the whole St George's School Team
