

Advent Lantern Show
Wednesday 2nd December

Dear Parents and Carers,

Every child and adult in school has created a beautiful paper lantern on the theme of Hope, Joy, Peace and LOVE.

Tomorrow night, Wednesday 2nd December, from 17:00 we will be displaying the lit lanterns in the front playground in the shape of a huge HEART.

The lanterns will burn until around 20:30 and we would love to invite you to see them from the path outside school. The gates will be locked but everything will be visible for you.

We will also be 'officially' switching on the lights of our Christmas Tree and putting Mary, Joseph and baby Jesus into our beautiful handmade stable.

Traditionally, baby Jesus would be put into the manger on Christmas Eve but we would like the children to see baby Jesus in his crib.

Please adhere to social distancing guidelines outside school tomorrow night and we hope you enjoy our Advent celebration.

Mrs Statham
