

**Information for next week at school  
for w/c 19<sup>th</sup> July 2021**

Dear parents,

The government have decided to lift a lot of COVID restrictions from Monday 19<sup>th</sup> July.

However, systems will remain exactly the same in school until September.

Many of our children have never known school as it used to be, so to lift our own restrictions for one week would be confusing for them and of no benefit.

In addition, it makes sense to continue to safeguard everyone for one more week rather than add any unnecessary risk or additional variables into our environment that we may be unable to control.

- Our strict systems are working well so I am not changing them.
- Children will remain in bubbles until September.
- Please continue to wear masks in the playground.

Thank you

Mrs Statham

I shall be sending out our fantastic and much loved

**'STICK ME ON YOUR FRIDGE ~ ALL THE DATES FOR THE WHOLE YEAR  
CALENDAR' next week!**

I will also be sending out all the information you will need for September.

x
