

Dear Parents and Carers,

We are pleased to let you know that St. George's will be continuing to use the programme, Life to the Full, produced by the Catholic educational organisation Ten Ten Resources, to deliver the RSE (Relationship and Sex Education) curriculum.

Life to the Full is an entire platform of creative resources that engage, inform and inspire our children. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and classroom prayers.

In addition there is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: **www.tentenresources.co.uk/parent-portal**

A separate information booklet is also attached to this email which gives an overview of the structure and content of the programme; we have made some changes to the order and organisation of some topics in the light of lockdown.

Life to the Full is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see this programme as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

If you have any questions, please see your child's class teacher.

Best wishes

The St George's Team
