December 2022

Christmas celebrations are often full of sound. It would be good for us to make room for silence, to hear the voice of Love.

— Pope Francis —

Dear Parents and Carers,

I would like to wish you all a very happy and Holy Christmas.

I saw a quotation the other day which I really liked. It simply said:

“May Joy be your gift this Christmas and may Faith, Hope and Love be your treasures in the New Year.”

Living more simply is a goal that is good to try and strive towards. It is sometimes hard to remember living simply at Christmas time, when we are all pressured so much by consumerism.

Let us remember the little baby who was born into absolute poverty but yet brought Joy to the whole world.

Happy Christmas,

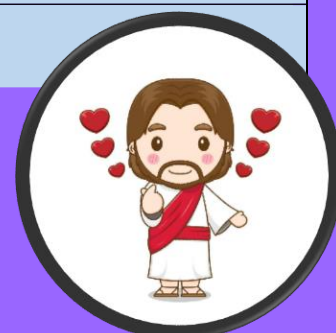

God Bless,

Mrs Statham xxx
