

Dragons' Den News

Summer 2023

Dear Parents!

We have had to make a few changes to the timings and the pricing of Dragons' Den. These changes will take effect from Autumn 2023.

Support staff have been awarded a well-deserved pay rise, but unfortunately this pay rise has come straight out of school budgets rather than being funded by Central Government.

This means that, sadly, we have had to reduce staff hours and increase club prices.

The new timings will be as follows:

Breakfast	from 07:30	£4.50
After School	15:15 - 17:00	£7.50
After School	15:15 - 17:30	£9.00

You will notice that the club will now close at 17:30. If you want your child to stay until 17:30 you need to make us aware of that in advance. There will be reduced staff from 17:00 and it is vital that we stay within our safe adult:child ratios.

The new booking forms for Autumn 2023 are now available.

Thank you,

Mrs Statham
