Use school computers for school work only

Only use my own designated chrome book

Be kind to others and not upset or be rude to them

Look after the school ICT equipment and tell a teacher straight away if something is broken or not working properly

Only use the username and password I have been given

Never share my password with anyone, including my friends.

Never give my personal information (my name, address or telephone numbers) to anyone without the permission of my teacher or parent/carer

Save my work on the school network

Check with my teacher before I print anything

Log off or shut down a computer when I have finished using it

Always log off or shut down my chrome book when I'm finished working on it

I will not:
