

It has been brought to our attention that when parents have been asked to help with swimming on a Friday morning.....some parents thought they had to get into the pool and actually swim with the children!

This probably accounts for the low take up rate of volunteers!

Parent helpers help on the coach / help to make sure children walk sensibly off the coach to the pool / sit on the side during the lesson / help to get the children safely back on the coach.

ALL help is most appreciated from our lovely parents!

Please let your child's class teacher know if you can help.

Rota:

Autumn term Year 4

Spring term Year 5

Summer term Year 6

THANK YOU VERY MUCH
