

October 2023

Dear Parents and Carers,

We are pleased to let you know that St. George's will be continuing to use the programme, Life to the Full, produced by the Catholic educational organisation Ten:Ten Resources, to deliver the RSE (Relationship and Sex Education) curriculum. This is now our fourth year following this programme of study. This year, the resource includes new content which also delivers the PSHE curriculum.

Life to the Full Plus is an entire platform of creative resources that engage, inform and inspire our children. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and classroom prayers.

In addition there is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: **[www.tentenresources.co.uk/parent-portal/](http://www.tentenresources.co.uk/parent-portal/)**

- School username: - please contact school
- School password: - please contact school

Class teachers will include information about RSE and PSHE on their half termly newsletters so you know which unit your child is covering.

Life to the Full is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see this programme as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

If you have any questions, please see your child's class teacher.

Best wishes

The St George's Team
