

Linked to our topic of 'Dinosaurs' we would like you to choose from the following list of tasks to do at home. Don't forget you can choose to complete any number of tasks (at least one) and present them in any way you want to.

Visit a tropical animal centre or shop to have a closer look at some modern day reptiles. Take some photographs to show your class.

Research the places in the world where most dinosaur remains have been found. Mark them on a map and label them clearly.

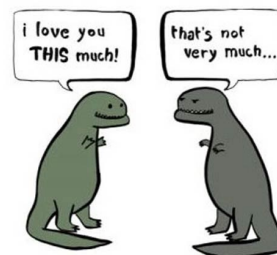

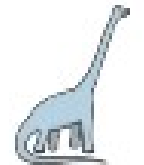

Make a model of your favourite dinosaur. Try to make it as realistic as possible.

Paint a picture of a pre-historic scene. Include your favourite dinosaur.

Research your favourite reptile. Draw a picture and write a fact file about it.

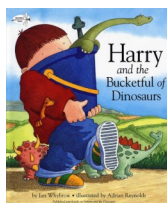

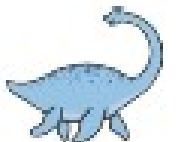

Can you create a set of dinosaur jokes to share with the rest of the class?

Visit the local Library. Borrow some books about dinosaurs or reptiles. How many can you read or share with an adult? Make a list.

Read about your favourite dinosaur. Imagine you are the dinosaur. How do you move? Show us your dinosaur walk.

Write a letter to someone telling him or her about your favourite dinosaur

I can't wait to see your lovely homework. Please bring it in on Monday 5th February 2024
