

Year Two Homework Projects Spring 1

History

Write some interview questions to ask someone who remembers the moon landing in 1969. If you know somebody you could interview that would be great! If not, we have plenty of volunteers in school who could answer your questions. You could write the answers to your questions, or get a grown up to help you record the interview and email it to your teachers

RE

We are thinking all about The Bible this term. Do you have a favourite bible story? Can you write your own version of it to tell your friends? You could even turn your favourite story into a comic strip!

Reading

Practise your reading EVERY NIGHT and you will become a super reader.

This is THE MOST IMPORTANT homework of all!

Design Technology

Could you design and create your own Space Rocket? 🚀

You could use toilet rolls, egg boxes, cereal boxes, straws, plastic bottles or tin foil. **Transform your materials into a Space Rocket and paint and decorate it!**

Think about what special tools your Space Rocket would need for exploring a new planet!

Geography

Listen to the StoryBots "A beautiful, beautiful World"

Keep a keen eye for all the different facts about the earth. How big is the earth? How many people live there? How many different continents are there? Then draw a picture of the earth and label it with some interesting facts!

Maths

Can you become the class timestable's champion?

Times Table Rockstars is a brilliant and fun way of practising your times tables. You will find your login details at the front of your home school contact records.

Money

We will be learning about money this term. Do you know:
The value of each coin?
How many different ways can you make 50p?
How many 20p coins do you need to make £1?
How much change would you get from £1 if you spend 45p?

Music

We will be developing our musical knowledge and understanding this term. Could you prepare a performance for the rest of the class? It could be a song that you love to sing, or if you have been learning an instrument this term, why not prepare a piece to perform to your friends. You might inspire them to learn an instrument too!

Spellings

Please keep practising the spellings for your weekly spelling check on a Thursday. **You will find these spellings in the yellow book.**
