

Homework

Geography

Try one of the four lessons from Oak National Academy about South America.

<https://classroom.thenational.academy/units/building-locational-knowledge-south-america-f4d0>

- 1) Which countries are in South America?
- 2) What are some of South America's most important features?
- 3) What is the geography of Chile?
- 4) How are Chile and the UK similar and different?

PE

Plan your own fitness circuit. Think about all the different exercises you have learnt over last half-term and in previous years. We've looked at star jumps, burpees, lunges, shuttle runs, plank, tri-cep dips, sit ups, high knee runs etc...I would like you to chose 5 exercises for your circuit. Each activity should be carried out for 30 seconds with a 15 second interval break in between. Once you've done that, I would like you to complete it twice.

Art

Bright colours and tropical environments are often important in South American artists' work. Design a piece of clothing to wear to a carnival that shows something about South America. You could design a shirt, headdress, entire outfit or anything you can think of!

Flags

Choose five South American counties. Find out what their flag looks like and draw it. Extension activity: create a fact-file about one of the countries you have chosen.

MUST DO HOMEWORK

-the more often, the better!

- Read and be read to
- Learn the times tables you do not know - see your TT Rock Stars assessment from last term
- IXL Maths / English

Practise your weekly spellings - spelling tests will be on a Wednesday
