

Linked to our topic of 'Castles' topic we would like you to choose from the following list of tasks to do at home. Don't forget you can choose to complete any number of tasks (at least one) and present them in any way you want to. Please bring in homework during the last week before half term for us to

Build your own motte and bailey castle. You could use cardboard, papier mâché or perhaps Lego.

You can visit a local castle and learn about its history. (Note: we will be visiting Clifford's Tower as part of our topic).

Investigate the features of a castle and make a labelled drawing. What is a portcullis? A turret? A murder hole?

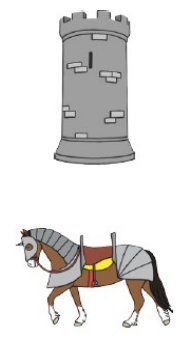

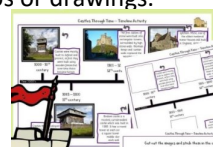

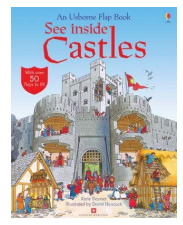

Visit the local Library. Borrow some books about castles. How many can you read or share with an adult? Make a list.

Reading

Read everyday and sign your Reading Record.

Research how castles have changed over time. What type of castles were built first? Who built them? Why did they build them? What were castles like in other countries? You could make a time line of castles and show how they changed using photos or drawings.

Writing ideas

Play different maths games with your family at home. How many times can you win? Then, make your own maths game or boardgame.

Purple Mash

Log in and have a go at guarding the castle using your coding skills. You will find the task under the '2Dos' .

- * Write a story/ comic about a knight or a princess or a dragon.
- * Write a description of a character who lives in a castle.
- * Write a description of a dragon.
- * Write about a visit to a castle.
- * Write instructions for how you joust.
